From our Principal.....

Many thanks to the parents who attended the parent information evenings on Thursday. Each time you as a parent attend an event at school, have communication with your child’s class teacher, volunteer or attend meetings, you are sending a message to your child that school and education is important. Please note that class and year-level newsletters have now been uploaded to our website, to give you more information from your child/children’s teacher/s.

STAFF CHANGES

Wondall Heights State School has experienced an increase in enrolments in the first weeks of the school year. This has had an impact upon classes in the lower school. Wondall has also been appointed a second acting Deputy Principal – Bridget Hawkins.

A workplace reform agenda has been approved by the Local Consultative Committee which allows for the creation of a Student Services teacher. This role entails behaviour management, school leaders, enrichment programs, excursions, resourcing, event management and school data operations.

This position has been advertised school-wide. Katrina O’Neill and Melissa Loban (nee Peach) have been successful in gaining this position and are to share the role. The impact of this change is that 3D will now be taught by Kirsty Cranitch. Thank you to the families and students affected by the changes for your understanding.

DEPUTY PRINCIPAL YEAR LEVEL RESPONSIBILITIES

At Wondall Heights State School we investigate issues that may arise from time to time, and we work with children and where appropriate, their families to resolve issues. Central to this is communication. Please speak with your child’s class teacher in the first instance about any concerns you may have. Then, if contact with administration is needed, please contact Bridget Hawkins (DP) if your child is in years Prep – 2, and Pamela Kondys (DP) if your child is in Years 3 – 6.

ATTENDANCE SUPERSTARS

Congratulations 1A on being last week’s attendance superstars with 100% attendance for the week!

PARKING AND DRIVING ZONES AROUND THE SCHOOL
Can I please once again take the opportunity to remind the Wondall community about adhering to the parking and speeding regulations around the school at the crucial drop-off and pick-up times.

The safety of all members of our community is paramount. Schools are busy traffic places in the mornings and afternoons.

MORNING ROUTINE
There is a change to the location of quiet supervision in the morning. Students are now required to go to the library.

Students should arrive at school ready for learning each morning at 8.40am. Students arriving at school early, after 8.15 will be able to access quiet supervision in the library until 8.40 when they will be released to go to class. No student should be ‘wandering’ around the school or sitting waiting for school to start in the school grounds. They must attend the library. Parents are asked to escort their children to the library for supervision and not wait outside classrooms with them. Parents of students arriving before 8:15am will need to consider accessing OSHC. This is a safe and supervised environment for students. Contact WOSH on 3668 0688 for more detailed information or visit the website on www.woshc.com.au.

Majella Frith
ENRICHMENT OPPORTUNITIES.

We know that many of our students love to be involved in a variety of activities outside of school time. As we hear of great opportunities, we will include details in our school newsletter.

School Holiday Fun: Holding the Fort!

A Fort Lytton National Park school holiday program is delivered by Qld Parks and Wildlife Service, and looks like a fabulous event for our budding historians.

The program running in our next holidays is called Holding the Fort! and is one of many “Go Back in Time” programs that aim to teach as well as entertain. Professional actor-educators lead the children through a series of hands-on activities within a dramatized context. The programs have been developed with the generous support of the Caltex Lytton Refinery (the fort’s neighbour) and the fee charged is not for profit but to cover the cost of the presenters and the materials used.

Holding the Fort! 10am to 12.30pm 4, 5, 6, 11, 12, 13 April 2017. Cost: $8.75 per child. Venue: Fort Lytton National Park. Bookings essential 3393 4647

Brain Art Competition.

The ARC Centre of Excellence for Integrative Brain Function is a brain research centre. Their researchers look at how the brain works and how it interacts with the world around us. But they also want to know what you think about how the brain works.

Create an artwork on A4-sized paper, using pencil, crayon, markers or paint, inspired by completing the thought: ‘I use my brain to...’ for the opportunity to win brain related prize packs and up to $1000 vouchers for school resources.

A brochure for the art competition is attached to this newsletter. Please also visit the event website for further details and for links to educational resources to run brain-related activities at home.
Bonner Bright Stars Award.

This award has been designed to celebrate the young achievers in our federal electorate. This accolade is designed to celebrate our best and brightest young stars with an award dedicated solely to them for their amazing achievements. Students can be nominated for any recent great achievements whether it be on the sporting field, in the classroom or even out in the community.

The Bonner Bright Stars Award is open to all children of school age and every month a panel of judges will choose a deserving winner, who will then be awarded their prize at a special ceremony.

Nominations are now open for the March Bonner Bright Star award on Ross Vasta’s website www.rossvasta.com.au. Nominations require 100 words or less to explain why the person you’re nominating is deserving of this fabulous award.

Junior Writers Club Short Story Competition: LOST!

Your challenge is to write a short story (300 – 500 words) on the theme, Lost! Have you lost something or someone precious, are you lost, has someone lost their memory or the ability to walk, is it a lost cause or a lost opportunity? You decide. The competition is FREE to enter and open to 8 to 12 year old children. Entries close Midnight AEST, Wednesday 31st of May 2017, and winners will be announced Friday 23rd of June 2017.

For competition details, see the flyer attached to this newsletter or go to www.juniorwritersclub.com.au for full terms and conditions.

Naplan

Year 3 and 5 students will participate in the annual National Assessment Program — Literacy and Numeracy (NAPLAN) tests to assess their skills and understanding in the areas of reading, writing, language conventions (spelling, grammar and punctuation) and numeracy.

The tests will be conducted in all state and non-state schools across the country from 9th – 11th May.

At Wondall we work to ensure that all students are prepared for NAPLAN. You can help your child prepare for NAPLAN by reassuring your child that NAPLAN tests are just one part of their school program, and to urge them to simply do the best they can.

Further NAPLAN information for parents and carers is available online. Please contact Mrs Kondys if you have any questions about your child participating in NAPLAN testing.

Pamela Kondys and Bridget Hawkins.
SHORT STORY
WRITING COMPETITION
THEME: LOST!

WHAT TO DO
1) Write a fictitious story based on the theme LOST, that's between 300 to 500 words.
2) Fill in the entry form.
3) Enter the competition.
4) Maybe WIN a cool prize.
For full details go to...
www.juniorwritersclub.com.au

FREE ENTRY
Entries Close Wednesday May 31st, 2017
Winners announced Friday June 23rd, 2017

FOR 8 -12 YEAR OLDS

Lost something or someone precious, are you lost, has someone lost their memory or the ability to walk, is it a lost cause or a lost opportunity?
You decide...

For an ENTRY FORM AND COMPETITION DETAILS go to
www.juniorwritersclub.com.au
or Email: ian@ianmcintosh.com.au or call 0402 907 333
Create a brainy masterpiece and win!

Theme

- How does your brain help you to hear a conversation in a noisy room?
- How does your brain control your foot when you kick a ball?
- How does your brain create images, conversations, and sounds in your dreams?

We think these sorts of questions are interesting and lots of fun to think about. But we also want to know what you think about how the brain works.

Show us by creating an artwork on A4-sized paper, using pencil, crayon, markers or paint, inspired by completing the thought:

‘I use my brain to...’

Who can enter

This art competition is open to children attending primary school in Australia and will be judged in three age categories:

- Category 1: Foundation year (Prep) and Year 1
- Category 2: Years 2 – 4
- Category 3: Years 5 – 6

The prizes

A 1st, 2nd, and 3rd prize winner will be selected from each category by a panel of judges.

Each winner will receive a brain-related prize pack. Each winner’s school will receive a brain-related resource pack and a voucher ($1000 for 1st, $500 for 2nd, and $250 for 3rd prize winners) to purchase further resources from Modern Teaching Aids.

How to enter

Send hard copies of artworks to: Brain Function CoE Art Competition, Monash Biomedical Imaging, 770 Blackburn Rd, Clayton VIC 3800.

Artworks may also be scanned in high-resolution (no photographs, please) and emailed to: administrator@cibf.edu.au.

Please attach to the back of the artwork in clear print the child’s name, age, school year, school name, a parent or guardian’s signature and a school contact.

Closing date is March 24, 2017.

Brain Awareness Week

The competition is part of Brain Awareness Week March 13-19 2017, a global campaign to increase public awareness of brain research.

**Save the Date!**
Some users have reported that making payments using the QParents app on their android phone is not working. Users are being directed to the BPoint portal, but do not receive a "payment successful" message and the payment is not processed. To resolve this issue, please uninstall the QParents app on your phone, then download and re-install the app via Google Play.

THE HIGH FIVE CAN PROTECT YOU!

Talk Friendly:
Ask the person nicely to stop. He/she may not know they are being hurtful.

Talk Firmly:
Tell him/her to stop in a serious voice, saying something like.....
“STOP IT, I DON’T LIKE IT”

Ignore the person:
He/she needs to know you will not respond to hurtful behaviour.

Walk to a safe area:
Walk to somewhere where you will feel safe.

Report to an adult:
If the person will not stop then it is time to tell a staff member.

**Bpoint** is the school’s preferred method of payment. Clicking on the link located at the bottom left hand side of your invoice will take you directly to the Bpoint payment area. Please see instructions below. If you are making an online payment directly into the school’s bank account, please put your child’s name and invoice number as reference so that it can be receipted correctly.
PE SWIMMING
The first weeks of swimming have been very inviting in the recent hot weather we have been experiencing. A reminder to all students to be responsible for your own gear. That means when changing, putting your gear in your bag and making sure you have all your own belongings. Our parent helpers have been great. What a great way to share in your child’s school activities and cool down at the same time! A reminder that if you intend on coming to assist at a swim lesson, no other younger children can be present in the pool area. Active supervision means eyes on the pool.

BAYSIDE DISTRICT SWIM TRIALS
14 students from our school will represent Wondall in the hope of gaining personal best times and selection in the Bayside District team. This team will then compete at the Metropolitan East Regional swimming carnival. All the best!

INTERSCCHOOL SPORT
Our sport selection / trials / trainings will begin this term in Week 5 and run through until the end of term. Students will make the selections for trialling in class in Week 5. Our Fridays will begin after 2nd lunch at school. The interschool sport season will begin post morning tea on Friday Week 1 of Term 2. The sports for trialling are Football (Soccer), Netball, Rugby League and Newcomb Ball / Spikezone / Volleyball. Forms for our Interschool Sport year went home in week 1 of this term. Returning of forms and payment is due by Week 8 this term. This payment covers the entire year of interschool sport. Some sports may require additional individual safety items which will need to be purchased for your child. This will be stipulated to selected students, and are required in order to play these particular sports.

Please note that interschool sport enables your student to:
Learn new skills, interact, and compete with other students their age as well as other teachers from Wondall and other schools, increase fitness, develop appropriate attitudes for playing team sport, develop positive sporting behaviour, practise fair play, support each other, develop skills in managing feelings in times of success and defeat, enhance their acceptance of rules of games and activities.

These are life skills that students should be learning in order to develop and feel comfortable in the society in which we live. At Wondall, we encourage these traits and expect students to apply themselves when attending Interschool sport.

AFL
Last Monday we had AFL QLD come and show some AFL skills and drills to our Prep students. Wynnum Vikings AFL club are running Saturday morning AUSKICK sessions this term. Interested students can pick up a flyer from school or enquire directly at the club.

Mr Stephen Bloxsom
Sports Coordinator / PE Teacher
Strive to excel in sport because we can.
School News—Banking

The DOLLARMITES ARE BRINGING THE FUTURE TO YOUR SCHOOL.

Since 1931, CommBank’s School Banking program has been offering engaging ways for Australian children to learn the value of saving and develop lifelong money skills.

For our 2017 theme, a futuristic adventure is in store. Students will join the new-look DOLLARMITES as Future Savers, making their way towards the Savings Hover Park—a fantastic playground up in the clouds of a hi-tech metropolis.

ENCOURAGING SAVINGS HABITS WITH GREAT REWARDS

School Banking will continue to reward children who demonstrate regular savings behaviour, and this year we’re introducing an exciting new range of reward items. Two are released every term, and available in Term 1 are the Cyber Handball and Colour Change Markers. Your child can redeem one of these reward items, while stocks last, after making 10 School Banking deposits.

Visit commbank.com.au/schoolbanking to download and print this year’s Rewards Card. On our website you’ll also find a fun activity sheet and a Savings Tracker your child can use to keep track of their School Banking deposits throughout the year.

DEDICATED SAVERS GET A CHANCE TO WIN A TRIP TO TOKYO DISNEYLAND

The Future Savers Grand Prize competition will take one lucky student on a family trip to Tokyo, Japan. Up to two adults and three children will get tickets to explore Tokyo Disneyland and Tokyo DisneySea, including the futuristic Tomorrowland attractions. This prize includes:

- Return economy airfares from the winner’s nearest capital city to Tokyo, Japan
- Five nights’ accommodation at the Sheraton Grande Tokyo Bay Hotel
- Three-day Magic Pass to Tokyo Disneyland and Tokyo DisneySea
- AUS$1,000 spending money

To enter, your child simply has to make 15 or more School Banking deposits before the end of Term 3, 2017. This will automatically enter them into the competition for a chance to win.

For more information, visit commbank.com.au/schoolbanking

QACI is one of three selective entry State High Schools developing highly capable young people on their preferred academic pathways.

At QACI, students study the rigorous International Baccalaureate (IB) Diploma Program which incorporates their creative pathway, develops university research skills and enables opportunities for real life industry experience.

QACI announces new complementary Discovery Workshops to help students in Years 8 and 9 explore their potential across the International Baccalaureate curriculum.

There are no knowledge or experience prerequisites that apply to Discovery Workshops. Designed using a cooperative approach that merges elements from different subjects these hands-on workshops provide opportunities for lateral, collaborative, and creative thinking in fun and engaging ways with our world-class educators.

Current Years 8 and 9 students can actively engage in one, two or three complementary individual sessions during the entire day on the 25th February 2017.
