Interschool Sport

In the cluster of schools in the Wynnum District there has been discussion amongst Principals about the interschool sport program operating in our schools. To further discussions we are asking members of our respective communities to complete a simple survey on-line about interschool sport. The survey also asks respondents to consider the option (in some form) of a Gala Day interschool sport activity as an alternative to interschool sport. Please read the pre-amble below and respond to the survey by clicking on the link.

State Schools Are Great Schools - Interschool Sport Survey

In our school, we work to provide the best possible learning opportunities. This survey is designed to gather your thoughts about one such learning activity, interschool sport.

Interschool Sport is an important school activity involving many students, staff and parents. It is focussed on developing physical and social skills; including teamwork and resilience.

This survey will gather your thoughts about the current interschool sport format and also what you think about a different format called ’gala days’ which is explained below.

Currently students have at least one weekly coaching session after school or during a lunch break. Students and staff travel by bus to local sporting venues every week for two 10 week blocks. Students are involved from approx. 11:30am to 3:00pm each Friday for the 20 weeks. Families pay approx. $120 per year for this bus travel.

A ’gala day’ format would see students have a coaching/game session each week on Friday at 2-3pm. Once a term local schools would combine for a full day of competition called a Gala Day. Students would travel once per term on the Gala Day to the sporting venue: 4 gala days per year. Families would pay approx. $24 per year for this bus travel.

When completing the survey can you please place parent in the comment box.

I made the following requests earlier this term, can you please read below and respond as required if necessary.

2015 Enrolments

If your child will not be returning to Wondall Heights SS next year please notify the office and your child’s teacher as soon as possible so we can be as accurate as possible with our class formations for next year. If you know of anyone who is moving to Wondall in 2015 please encourage them to complete enrolment forms as soon as possible. Enrolments for 2015 are strong and places in some areas of our school will be limited.

Class Formation 2015

Over the next few weeks we will also be tentatively forming the classes for the 2015 school year. We have already received a number of written parent requests for consideration. Please remember that although we take your requests into account the final decision on class groupings rests with the Principal. My focus is to maintain a cohesive and balanced mix of students in each class formed to ensure optimum access to learning for every student. All requests from parents need to be in writing and addressed to the Principal by Friday 31 October.
DEPUTY PRINCIPAL

Swimming
Yes, Term 4 means swimming for all year levels! Please remember cap, towel, sun safe shirt and goggles if needed. A reminder to label all items. Parents if you can volunteer to assist with the swimming program please see your class teacher for pool times.

Enrolments 2015
If you know of a family with a Prep student who has yet to enrol for 2015, please refer them to the school. Next month we begin Prep interviews for 2015 enrolments and a Prep Orientation day will be held at 9:00am November 21 for all Preps enrolled for 2015.

Mobile phones
Students will be reminded at assembly that mobile phones and all electronic devices are required to be handed in to the office on arrival and collected after school. Parents, we request that you reinforce this message at home.

Uniforms
As we progress into Term 4 it is important that the dress code for Wondall Heights State School remains consistent. Please ensure that black shoes are worn. Students are to only wear the school sports uniform on class sports days.

Reception Update:

As part of our schools “Strive to Excel”, all aspects of how we deliver our services are continually being reviewed. The Reception area has been reconfigured with temporary screens to enhance the security of confidential information processed within the workspace, along with improved security and confidentiality of accounts receipting. We will be trialling the new configuration of the reception area until the end of term, please feel free to contact me with any feedback.

Rotary Primary Schools Public Speaking Competition.

Congratulations to three Wondall students, Ashleigh, Romani and Mekayla, who competed in the Rotary Public Speaking competition on Tuesday. All girls spoke confidently and skillfully, providing their audience with much food for thought. Ashleigh explained current scientific theories about dreams and why we might experience them, Romani convinced us to care for the world’s endangered tigers, and Mekayla implored us to help to preserve our world’s forests, especially through reforestation. The girls certainly deserve to be extremely proud of their achievements. Well done!

The girls also enjoyed listening to students from other schools speaking on their own topics – and it was interesting to hear their lively conversation on the way back to Wondall, as they discussed the merits of each speaker and speech! We need to wait until Thursday to find out if any of our speakers have been selected to move to the finals. Fingers crossed!

TERM 4 SWIMMING

It is of extreme importance, that, apart from serious injury or illness (accompanied by a parent note), students do not miss their swimming lessons. This is a life skill and in our country and climate, encounters of swimming in pools, lakes, rivers and surf are overwhelming. As during lessons students will be swimming, it is advised that students wear togs and not board shorts. For boys, jammers (tog material tight fitting upper leg shorts) are fine. Board shorts are used for trips to the beach and a splash in the water with assistance from waves. For swimming in a pool, our bodies carry enough drag as it is. We do not want to add to this. This goes for our swim carnivals as well.

SWIMMING CARNIVALS (Week 9)

Tuesday December 2 Years 2-3 Carnival 9 – 1PM
25m events across all competitive strokes

Wednesday December 3 Prep – 1 Carnival 9 – 10.50AM

Top 3 will compete in 100 I.M. at end of carnival

Nomination sheets for Premier Events will go out to each classroom in the coming weeks. These nominations are for students who wish to compete for Age Champion and may require swim offs to determine participants.

Child 1  Child 2  Child 3

If ticked above, please provide details for each child:

Consent/Authority to participate in the Active After-school Communities Program:

1. As the parent or legal guardian of the child/ren named above (my child/ren), I give my permission for my child/ren to participate in the Active After-school Communities program (“Active After-school” program) activities specified above, to be conducted by the School/OSHCS named above.

2. I agree to release the Australian Sports Commission (ASC) from any liability to my child/ren or myself in relation to any injury or illness that my child/ren may suffer, and for loss or damage to property, in connection with the activities, except to the extent that liability arises as a result of the negligence of the ASC.

3. I acknowledge and agree that the School/OSHCS collects personal information for the purposes of conducting the activities, and that the School/OSHCS may provide this personal information to the ASC for the purposes of the ASC administering, evaluating and reporting on the “Active After-school” program.

4. I give my permission to the supervisors of the activities appointed by the School/OSHCS to implement the School/OSHCS code of conduct and/or take other reasonable measures to ensure the successful conduct of the activities and safety and well-being of the activity participants.

5. In the event of any injury or illness to my child/ren, I authorise the supervisors to apply or arrange first aid and to arrange examination by a registered medical practitioner and, if contact with me is impracticable or impossible, to arrange whatever medical treatment the registered medical practitioner considers necessary at that time. 7. The ASC is undertaking an evaluation of the “Active After-school” program and will need to gather the views of those involved in the “Active After-school” program, including participating children and their parents/guardians. The ASC and its contracted researchers may contact you in the future to invite you to participate in a telephone interview that could take about 15 minutes of your time. The interview may ask you about the types of physical activity your child/ren takes part in, how your child/ren feels about physical activity, what kind of impact the “Active After-school” program has had on your child/ren, and/or how you feel about the “Active After-school” Program.

8. Involvement in the telephone survey is voluntary. Participants will be randomly selected. All responses will be kept confidential and any reporting will be generalised so that no one individual can be identified.

If you tick the box below to indicate that you do grant permission, the details you provide on this form may be passed on to the ASC and its contracted researchers for the above research with parents/guardians.

I GRANT permission........................................

9. Your child/ren, if aged 8 years or older, also may be invited to complete a questionnaire while participating in the “Active After-school” program. This is a short questionnaire that asks him/her about what they like to do after school, how they feel about physical activity, and their opinion of the “Active After-school” program. The questionnaire is filled out right after an “Active After-school” session, for three weeks, and typically takes about 15 minutes each time.

10. Involvement in the child survey is voluntary. Participants will be randomly selected. All responses will be kept confidential and any reporting will be generalised so that no one individual can be identified.

If you tick the box below to indicate that you do grant permission, the details you provide on this form may be passed on to the ASC and its contracted researchers for the above research with participating children.
