PRINCIPAL’S NEWS

BUSH DANCE
The bush dance last Thursday night was fantastic! The dancing and the strong community support reinforces what makes Wondall great. Congratulations and thanks to the P and C who organised the evening along with Amy Ellis and Olivia Whiting. The P and C worked under trying circumstances with the rain – thanks to all for their patience and good humour as organisation of the evening changed!

STAFF
I would like to welcome Sarah Moscoso as Head of Special Education Services of the WHISP program from the commencement of Semester 2. Deb Stephens has been acting in this role since the commencement of 2014. She has worked tirelessly in this time to support students, staff and parents in WHISP. Deb is taking a well deserved break for the remainder of the year to spend time with her family. Many, many thanks to Deb for her hard work.

ICAS Spelling
This week a number of students from across the school have been participating in ICAS testing. As with any test situation it can be daunting, below is an article written by Abby in year 3 about how she felt before, during and after the test.

"Before the Spelling test I felt nervous and scared because I had never done it before. As I started to do the test I realised that it wasn’t so bad and I felt less nervous. The test was tricky but as I started to do it, it became less nerve-wracking. By the end it was quite fun. Next year, I will defiantly give it a go and see if I have made an improvement."

It would be good if other kids would give it a try and see if they can improve too”. By Abby 3B

BEHAVIOUR
At Wondall Heights we have high expectations for student learning and behaviour. Students at Wondall meet these expectations in the main each and every day. Managing student behaviour is complex. Wondall has clear expectations and consequences for positive and appropriate behaviour as well as inappropriate and negative behaviour. The High Five, is a strategy for students, to use when they find themselves in a situation when another person is being mean or unfair. Taking control of a situation and letting the other person know that what they are doing is not acceptable is positive and strong.

THE HIGH FIVE CAN PROTECT YOU!
1. Talk Friendly: Ask the person nicely to stop. He/she may not know they are being hurtful.
2. Talk Firmly: Tell the him/her to stop in a serious voice something like….. “STOP IT, I DON’T LIKE IT”
3. Ignore the person: He/she needs to know you will not respond to hurtful behaviour.
4. Walk to a safe area: Go to where adults will see the person’s hurtful behaviour.
5. Report to an adult: If the person will not stop then it is time to tell a staff member.

Students will be introduced to the High Five through explicit lessons taught in class time and assemblies. It will be reinforced to all students that if someone uses the steps in High Five they are sending a message that they do not like what is happening and expect it to stop.

Semester 1 Reports

Reports will be sent home in week 10. This year, Wondall will trial sending report cards home electronically. In Semester 1 report cards will be emailed to Prep only. In Semester 2, all report cards will be emailed home.

“A”, “B” or “C”, what does that really mean? ...... “A”, “B”, “C” etc is predetermined by a scale of achievement. Any student who shows evidence of meeting a particular level, deserves that benchmark grade.

If your child receives a “C” this means that the student has met the criteria for a learner to be at the appropriate age level.

A “C” means that the student is doing everything required at their year level at school. The best description is to say that a “C” means that the student's academic development is exactly where it needs to be.

That means attaining a “C” for Achievement means you are ON TARGET for your age level!

Celebrate your child’s success. Some students achieve As with no effort, whereas others achieve a C with tremendous effort. The best advice we can give is to look at your child’s effort results and if their effort is of an acceptable standard then you know they are working to the best of their ability. At Wondall we expect all students to give 100% effort in all areas of schooling.

High School Experience Day at Brisbane Bayside State College

On Monday, the students in Year 5 had the opportunity to experience a day at high school. Brisbane Bayside State College has been inviting students from our local area to their school to try the different learning areas and participate in routines and procedures that are part of high school life.

The students from Wondall had a fantastic day. They created wooden puzzles in design technology, showed their dramatic side in drama and danced like Wondall does during hip hop.

All students had a fabulous day and for many students this day has answered many of the questions they had about high school.

Thank you, Brisbane Bayside State College!

**Facilities Update**

The swimming pool has been emptied in anticipation of the commencement of refurbishment of the painted surface. The electronic security system has been upgraded for the pool complex.

*Did you know?........*

The STOP DROP & GO Zone is *not* on school property. It is actually part of Wondall Road and under the parking jurisdiction of Brisbane City Council (BCC). Therefore all BCC parking regulations apply. Please be aware of the parking sign on the footpath in this area.

On a positive note, there are several alternatives to utilising the Council “2 minute passenger” zone. There are access points to the school from Tantani & Robtrish Streets, Dowling Place and Miles Cres - as highlighted on the above map.

We thank you for complying with the BCC parking regulations and ensuring the safety of our school community. If you require further clarification please call BCC on 3408-8888 or click on this parking information link

Dear Parents/Guardians of Year 5 students (2015)

Last Wednesday (27th May), I gave a letter to the Year 5s for an "expression of interest" in a Japan trip next year (September 2016) when they are in Year 6. I have received eight expressions already, which is very exciting.

Wondall Heights and Shijonawate (Osaka, Japan) have had a strong connection for a number of years. Shijonawate students (10-11 year olds) have been visiting Wondall every year and we would like to visit their school and country every second year. Friendships are made and memories of the cultural exchange can stay with the participants for a lifetime.

The likely cost of a 10 day trip would be approximately $3000 which includes flights, accommodation, homestay, some meals, Japan Rail Pass and probably some entry fees to such places as Disney Sea in Tokyo (some extra spending money will be needed too).

Before commencing detailed planning, we need an indication of numbers. If you are interested in your child participating in this study tour and did not receive the letter, please email:

jdilg3@eq.edu.au

If we receive enough interest, we will hold an information night later in the year.

Yours sincerely
Jo Dilger

**Interschool Sport Finals**

**NETBALL**

Three netball teams made grand finals last week in the final round of netball held at Wynnum West. I am glad to report that all three teams were successful in winning their games and collected pennants and shields. Below are photos of our victorious netball girls. Well done!

**YEAR 4 GIRLS:** Savannah W, Nirakh J, Piper L, Annaliese B, Caitlin S, Coach Uhlmann, Elena S.

**YEAR 5 GIRLS:** Ashley L, Keeley E, Olivia D, Tia C, Imogen L, Annabelle M, Jaida L, Ashley C.

**YEAR 6 GIRLS:** Kiah O, Kristin S, Tiarni R, Teomania R, Ava T, Ally L, Ashley L, Chloe I-F.

**FOOTBALL (Soccer)**

Four teams made Soccer Grand Finals at the end of their Interschool Sport season. Finals were scheduled to be on Tuesday this week but were cancelled due to the weather/pitch conditions. This was a call made by the venue and as a result they have rescheduled the Finals afternoon/night for Wednesday June 24. Unfortunately, this clashes with our Year 5’s who are on camp. I have managed to reschedule the Senior B (Navy team) Girls game as they would be absent as a result of this reschedule. Unfortunately, we couldn’t reschedule the Senior A Boys game so some students returning from camp will need a much deserved power kip before their match. Notes went home to students on Wednesday explaining the finals.

The dates and times for Grand Final teams are as follows:

Senior B Wondall A (Navy) Team will play their final this Friday June 19th after school at Wondall at 3.45PM VS SJV.

The final night is at 34 Andrew Street, Lota as follows:

Junior A Boys Wondall A Team will play their final Wednesday June 24th 4.30pm at Bayside United FC, Lota VS Lota.

Junior A Girls Wondall A Team will play their final Wednesday June 24th 4.30pm at Bayside United FC, Lota VS W.W.

Senior A Boys Wondall A Team will play their final Wednesday June 24th 7.30pm at Bayside United FC, Lota VS Manly.

Coaches have requested all students arrive 50 mins prior to their kick-off time for warm ups.

**RUGBY LEAGUE**

The Under 11 Rugby League team play their Grand Final at Kitchener Park (usual venue) at 6.30pm this Friday June 19. Boys are required at the game by 5.45pm wearing sports uniform and with usual gear as per our Friday sport program.

**Shot Put & Discus**

These events contribute towards Athletics carnival points and are also part of Age Champion tallies. U11/U12 Shot Put has been completed. Thursday this week sees U9/U10 Shot Put after that Discus will be scheduled when the weather permits. Students need to listen for the messages to find out on which lunchtimes these events will be held.

**Junior Cross Country Carnival**

The P – 3 Cross Country Carnival is this Friday Week 9 June 19th from 9 – 10.50am. Unfortunately, our weather leading up to this day hasn’t allowed a lot of exploration of the course (for a 3rd time!) but there will be lead runners, markers and staff on course to assist in directions for the students. Students will also be briefed at the start/finish line.

**Senior & Junior Athletics Carnival**

Mark the following dates for Athletics in Week 1 next term (Term 3):

Senior YR 4 – 6 Wednesday July 15 9am – 3pm. (Bad weather backup is Friday July 17 9am – 3pm.)

Junior Prep – YR 1 Thursday July 16 9am – 10.50am.

Middle YR 2 – 3 Thursday July 16 11.30 am – 1 & 1.40 – 3pm.

## Instrumental Music

Forty of our Beginner instrumental students recently attended the week long “Beginners’ Instrumental Music Week” along with 450 other students from the Bayside area. The students participated in their own bands, choir, dance and some special sessions for each instrument type. They were also treated to performances from other musicians.

On Wednesday evening they watched a wonderful concert of professional players including the “BANG” percussion ensemble, “Barega” Saxophone Quartet (which featured former Wondall student Andrew Ball on Tenor Saxophone) and “The Peppers” pep band who had all their music memorised and played while performing coordinated synchronised movements.

On the final day the students presented their own outstanding performances. All participants performed together in a stunning display of mass dance and mass choir. They then performed in their separate band groupings to hundreds of amazed and very impressed parents, relatives and school staff. Congratulations to all students involved!

Students’ comments about the week included: “I learnt so much”, “I loved the special instrument sessions”, “The performances, ours and the Wednesday night concert were the best part”.

Library Borrowing

Please make sure your child/children have a library bag so they can borrow books from the library. The library bag should be durable to ensure library books are kept in the best condition possible, for example a draw-string bag or cloth bag. No plastic shopping bags.

Check the **Class Borrowing Times** below so your child/children have their library book and bag on the correct day. **NO BAG, NO BOOK.** Children will soon learn responsibility for their library books if it becomes a part of their normal routine.

School Holiday Family Fun at North Stradbroke Island

Point Lookout Hall, North Stradbroke Island will be transformed Monday, July 6 into a creative hub and all day open studio, with half-day workshops for young people in t-shirt up-cycling and stencilling, body art, eco art and clay. Adults can join in all day workshops in woven sculpture and wood lithography.

Immerse yourself in the company of local and visiting artists; be inspired by raw materials such as sand and ochre, feathers and seeds, wood and fibre. Restyling and reinventing your favourite t-shirt was a remarkable success with young people at our first Easter school holiday creative studio, so insure you bring your own.

Just so that you get your bearings, start the day with story and song from local culture man Raymond Walker, eldest grandson of Oodgeroo Noonuccal. Traditional owner Craig Tapp shares story in coloured island sands.

Bringing people together to learn about local culture and environment using the arts is what we are all about. Join with us, connect, share locally and be apart of the global nature art movement #linesinthesand.

Creative studios dates are July 6, September 28 and January 4. With the support of Discover quality holiday accommodation Lines in the Sand invites artists to work in residence on the island. Like us on Facebook to receive updates and your free hand made white earthenware pendant.

Stone, Water and Living Earth exhibition will be on display at the Redland Art Gallery Sunday May 17 until June 25. Bookings info@linesinthesand.com.au

The project was made possible by the Australian Government’s Regional Arts Fund, which supports sustainable cultural development in regional, rural, and remote Australia to give artists and communities’ better access to opportunities to practice and experience the arts.
Brisbane City Council Libraries Gold Star Reading Club

The Gold Star Reading Club will take off in Council libraries across the city on Monday 1 June 2015.

There are five great reasons for children to get involved in the 2015 Gold Star Reading Club.

1. Membership to the Gold Star Reading Club is FREE!
2. The Gold Star Reading Club can help children improve their reading and literacy skills.
3. Children will be rewarded for reading with exciting monthly incentives – a magnifier book mark, coloured pencil kit and torch pen.
4. The opportunity for all participants to enter the monthly draw to win a $25 book voucher. It’s FUN! Children will have fun sharing their reading experiences with family and friends.

This is a great opportunity for parents to share in their children’s reading achievements.

To register your child for the Gold Star Reading Club, simply visit www.brisbane.qld.gov.au/libraries or your local library to complete a registration form.

For more information about the Gold Star Reading Club, visit your local library or call Council on 3403 8888.
