Caution– Netflix TV Series 13 Reasons Why

Headspace School Support is urging school communities and parents to be aware of the risks associated with children and young people watching the newly aired Netflix TV series, *13 Reasons Why*.

Due to the sensitive nature of the shows content and its focus on suicide, there are concerns that the show may trigger high levels of distress including suicidal thoughts or feelings amongst its viewers, particularly children and young people. Parents are encouraged to be aware of the risks associated with their child viewing the series.

For information about ways to support your child should they express concerns around their own mental health, refer to the following:
