### Our school strategies are showing substantial progress toward our targets

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Developed learning plans for students who are below the National Minimum Standard.
- Implemented a whole school program/approach to the explicit teaching of reading.
- Improved teacher capability through focused coaching and professional development.
- Implemented lead teacher positions in each year level.
- Reviewed student reading performance data on a regular basis in year level meetings, using lead teachers to facilitate discussions and guide decisions.
- Conduct regular teacher meetings with leadership team to discuss and strategise teaching practices for reading to ensure student learning needs are being met in accordance with the data.
