

Uniform Size Charts

Measurements shown in size charts reflect the size of the **garment when laid flat, not the wearer.**

Charts refer to individual products. Please check size charts for each product to determine your best fit.

Measurements are approximate and may vary slightly, tolerance +/- 2cm on all dimensions.

A: Length - top of centre back to hem

C: Waist - side to side at mid-section

B: Chest - side to side just below the sleeves

D: Sleeve - centre of neckline to centre of cuff hem
